Father Coindre aphorisms:

-Holiness, action, and work, and all will be saved.
Sainteté, activité et travail, et tout est sauvé.

-Let us never ask of others what is beyond them.
Ne demandons jamais aux hommes plus qu'ils ne peuvent.

-When a person has done all that he can, he has done all that he must.
Quand on fait tout ce qu'on peut, on fait tout ce qu'on doit.

Father Goriot's Exhortations:

Teacher Spotlight

Mrs. Boudreaux

Mrs. Boudreaux grew up in cotton country in Northeast Louisiana and was never exposed to the ocean as a child. Growing up in the '80s, she remembered being engrossed in National Geographic magazines and ocean-related movies. She specifically remembers being fascinated with the discovery of the Titanic.

Mrs. Boudreaux attended Nicholls State University. She earned a Bachelor's degree in Environmental Science with a minor in Chemistry, and also earned a Master's degree in marine and Environmental Biology. Although teaching never crossed her mind when choosing her career, it was all part of God's plan that she is here with us at St. Stanislaus.

Mrs. Boudreaux is passionate about the subjects that she teaches, and she hopes that her enthusiasm rubs off on her students and inspires them in the field of science. She engages students by making her classes as hands-on as possible. After all, the Bay is Mrs. Boudreaux's classroom.

Mrs. Boudreaux has been on the Klagetoh mission trip numerous times during her time at Saint Stanislaus and is now the mission trip coordinator. She feels closest to God during her time there and keeps going back because of the special relationships she has built there. If not for her, the exceptional marine science program we have at Stanislaus would not exist. In addition, she enjoys SCUBA diving, going to Saints games, painting with her mom, and spending time with her family.

In the Rocks return to the Mississippi Coliseum, they squared off against the Hancock Hawks. The first meeting ended in walk-off fashion, when the Hawks scored on a, three-point shot at the buzzer in a 37-35 victory. The Rocks displayed the will to win, in convincing fashion, holding the Hawks to a season-low 18 points, and bringing home the trophy as a Hoopsfest winner.

Alexander Fuller and Charlie Whaley earned a spot in the 30 plus point club, for scoring over that mark on the ACT.

Brandon Bordelon, District MVP and South Miss All-Star Selection finishes the fast break with a thunderous dunk.

Basketball

The Rocks, finished the season 8-2 in district play, tied for first, in historic fashion, registering an 11-game-win streak. The regular season buzzer beater by Luke Ladner set the stage for the district championship game. In a back-and-forth battle, the Rocks were not able to hold off the cross-town rival for the title. After a six year hiatus, the return to the playoffs yielded success, with the Rocks beating the Greene County Wildcats. The Rocks bowed out, gracefully succumbing to the experience of the 2-time and eventual state champion Raymond Rangers in the Sweet 16.

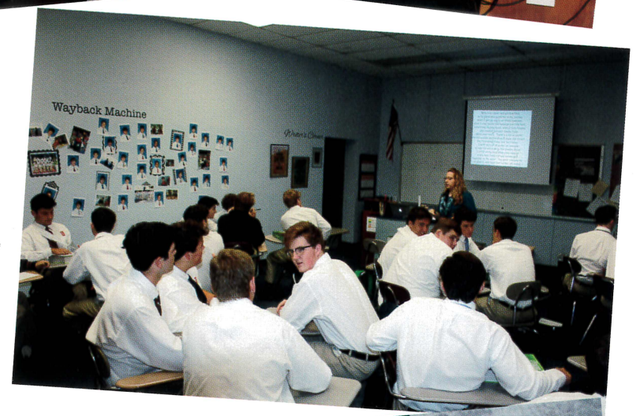
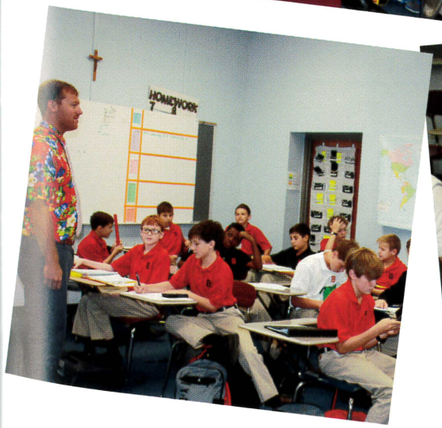
academics

English

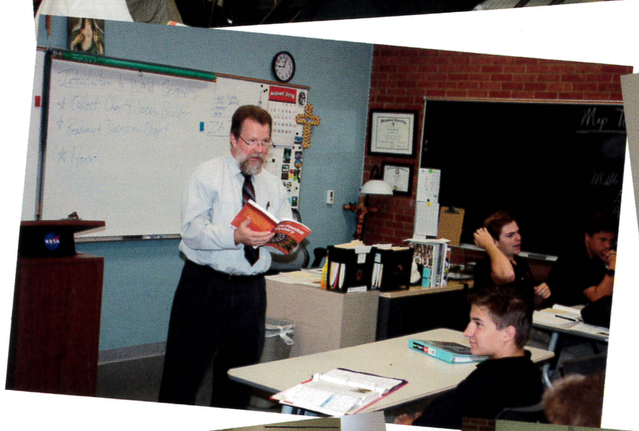
The ability to express ourselves clearly using the language is at the heart of what makes us human. We work to master the use and comprehension our language and to study the works of those who shine as examples of how to capture the human experience in language.
-Dr. Christine Harris, Department Chair

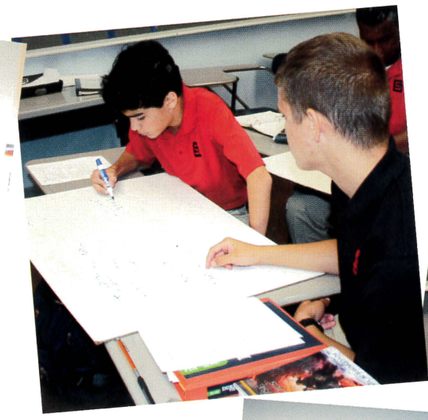


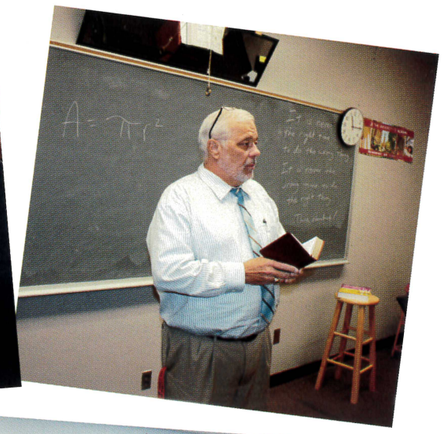


Religion

Religion is more than a subject being taught. It is making the words of Jesus come to life in each student as he becomes a Man of Character living the Gospels.
-Ms. Harriet Bellone, Designated Department Chair

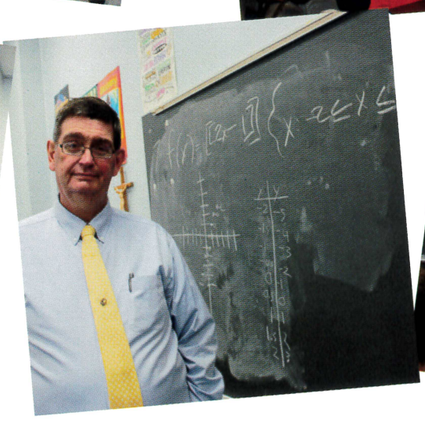


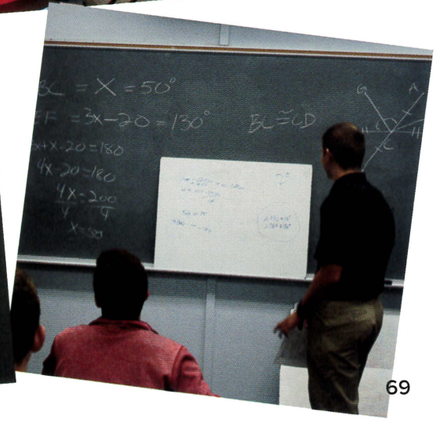




Math

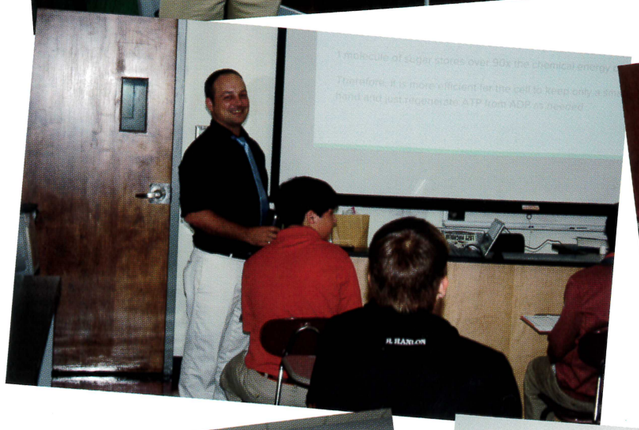
Is a language of symbols that bridges the thoughts, ideas and explanations of how and why creation functions as it does. It does all of this without the distraction of bias or the interference of personal preference. As such, math is a link for all of humanity with itself and with its creation.
-Mr. Jordan Roy, Designated Department Chair

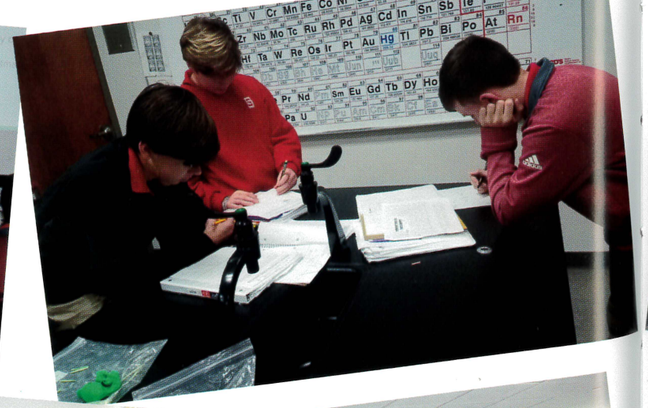


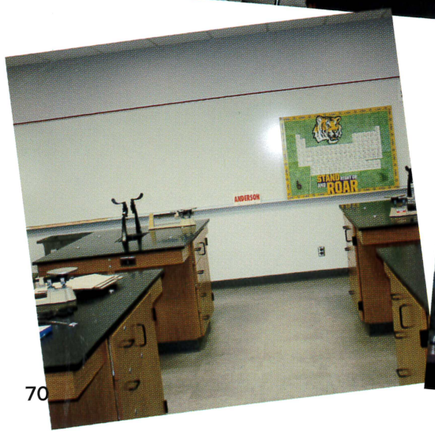


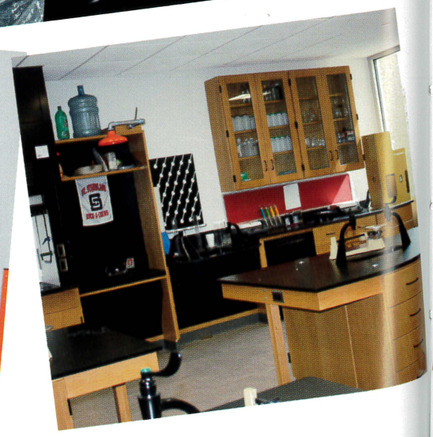
Science

"Science is but a collective effort of the human mind to read the mind of God from the question marks of which we and the world around us seem to be made."
-Mr. Jeff Anderson, Department Chair



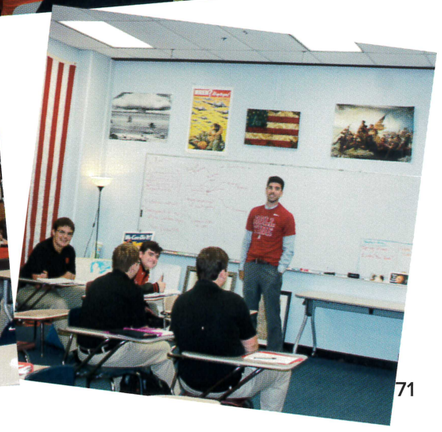






Social Studies

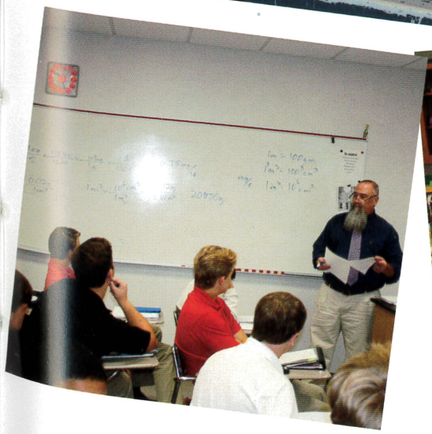
"Geography has made us neighbors. History has made us friends. Economics has made us partners, and necessity has made us allies. Those whom God has so joined together, let no man put asunder."
-John F. Kennedy

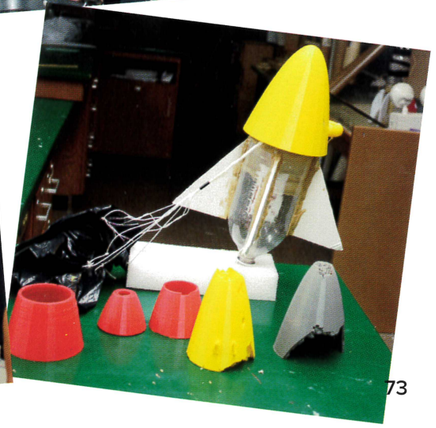


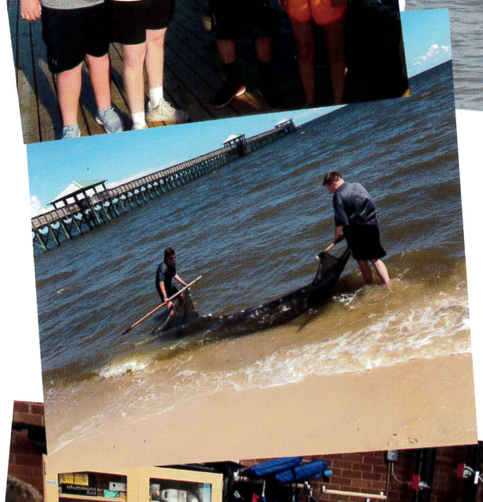
electives

STEM

The main objective of Science, Technology, Engineering, and Mathematics (STEM) is to offer students an array of advantages, from career readiness and hands-on experience to college-preparatory level classes, labs, and creative exercises.

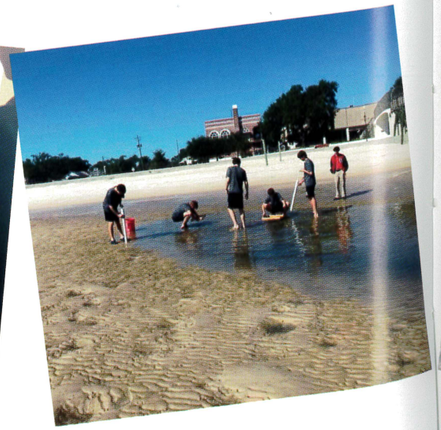






Marine Science

Our Marine Science program allows students to explore our part of the Gulf through hands-on learning. Being able to collect, observe, and maintain organisms in student tanks is a highlight for all to learn from and enjoy.

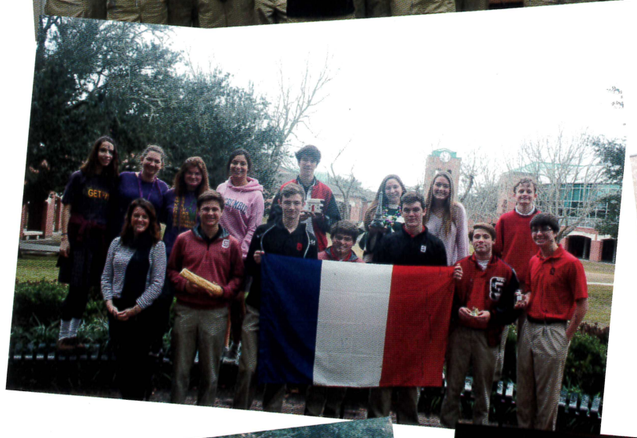


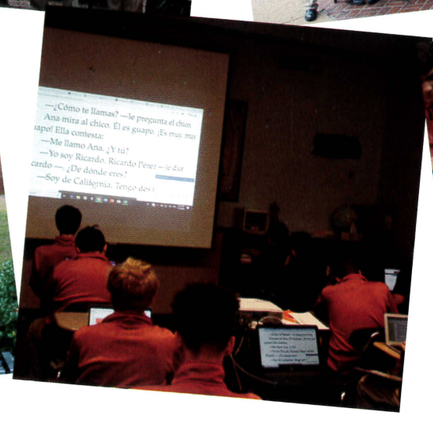
Fine Arts

Every student takes Art 1 and my take additional art electives in Advanced Art and Ceramics before they graduate. The arts program at SSC fundamentally teaches life skills, inspires students and allows them to experience the world in a different way.

Foreign Language

Foreign Language teachers are dedicated to teaching communication and culture. Our ultimate goal is to set the foundation for future travels and/or studies abroad, to encourage tolerance and understanding of other cultures, and to foster a humanitarian attitude towards others.





Band

The goal of the Saint Stanislaus College Band is to create well-rounded musicians through music and faith education. By teaching a positive work ethic, creativity, and passion, we create capable young adults who are prepared to excel in adult life. The skills learned in this program will transcend music and be of use to each student every day.

Kairos

(Below:) Retreatants Davis Scharp, Brad Dossett, and Joe Lawson listen to a talk given by Marguerite Gelpi.

Kairos is a weekend that is led by a student team composed of seniors who have already experienced the retreat and a few faculty members. Kairos focuses on helping students find their own personal story of a relationship with God during a few days of discerning and discovery. During this process, they have the opportunity to grow close to the others involved in the retreat, where the building of a strong community takes place through mutual openness, prayer, and trust.

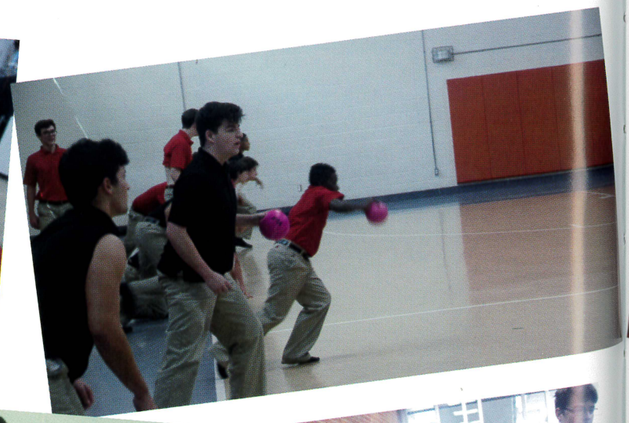
Big Brother Program

Big Brother, Little Brother is an SSC Tradition that pairs 12th grade students with 7th grade students. The purpose of the program is to ease the transition for 7th graders by matching them with a senior who can mentor them, participate in activities with them, and generally help guide them through their 7th grade year.



ROCK NATION

Rock nation is the gathering of the student body to cheer on our athletic teams. The main goal is to be as loud as possible to be able to establish the school's presence as well as our spirit. Students show off our blessed school, exhibiting the highest ideals of sportsmanship.

Dorm life

As part of a diverse community learning together, students forge lifelong connections and a global view. We know that the first time students live away from home is a learning experience for both parents and boys.

8th Grade Promotion

(Below): Reflective address given by SSC President, Brother Barry Landry to the eighth grade student body and their accompanied family and friends.

Promotion serves as a symbolic coming of age; growing from boys to young men; the transition from junior high to high school. It is a celebration that an invitation has been granted to be young men of honesty and integrity, the call to be workers for justice, the call to more boldly imitate Jesus and the way he related to others, especially the way we relate to friends and family members, with one another and with ourselves.

(Above): Hamilton Brewer, recipient of the **Brother Joseph Character Cup Award**, given to the student that takes responsibility for his own holistic education and who contribute, by word and example, to the creation of a healthy environment for his peers.

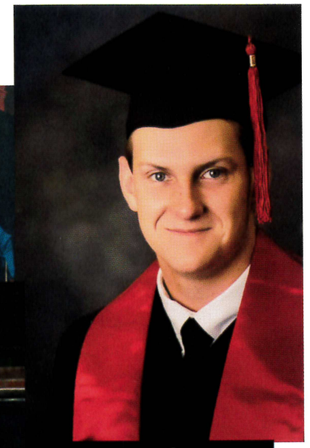
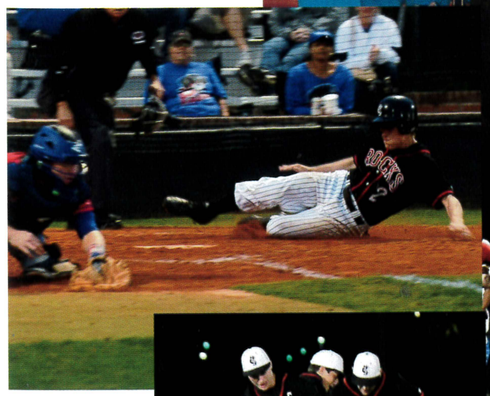
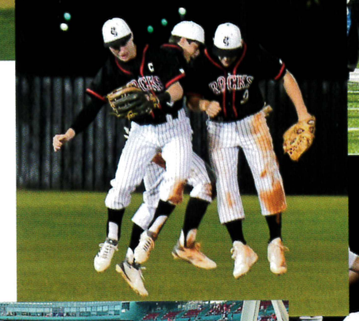
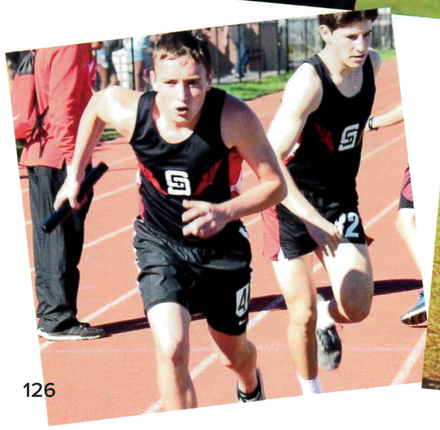
SENIOR 2019

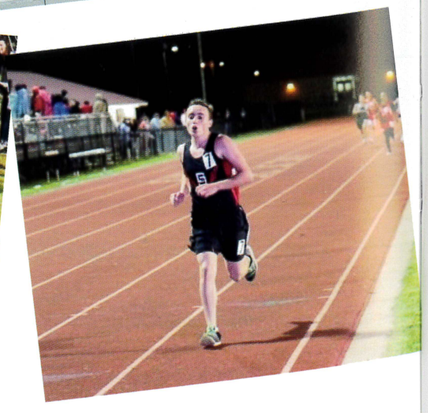






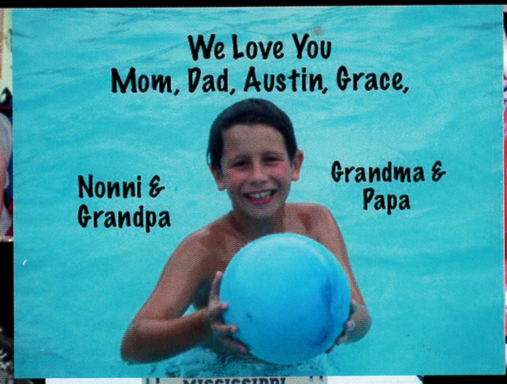
WHEN I STAND BEFORE GOD AT THE END OF MY LIFE, I WOULD HOPE THAT I WOULD NOT HAVE A SINGLE BIT OF TALENT LEFT, AND COULD SAY, 'I USED EVERYTHING YOU GAVE ME'.

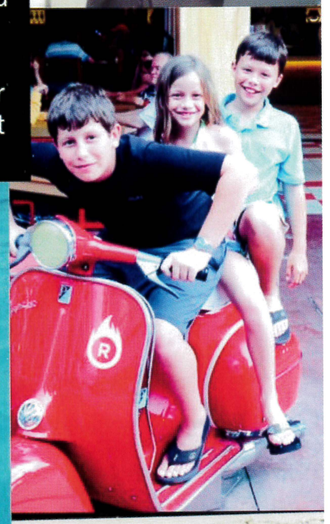


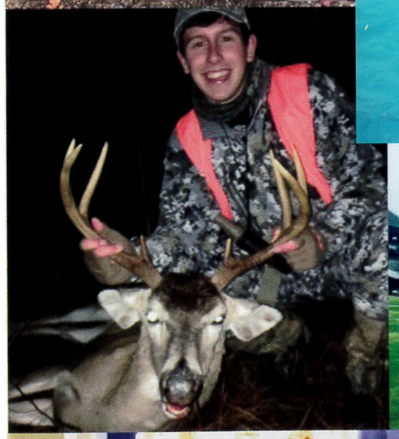


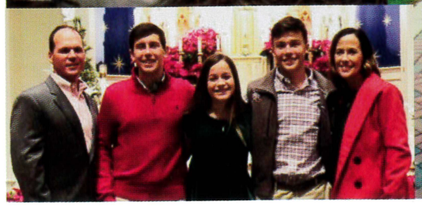
STEPHEN C. SCHRUFF, JR.

You have come such a long way the last 18 years. We are all very proud of all of your many academic and athletic achievements. We are even more proud of the man you have become. You are kind, caring and honor your commitments. You have surpassed our expectations, and we know you haven't reached your potential.









DAVIS SCHARP

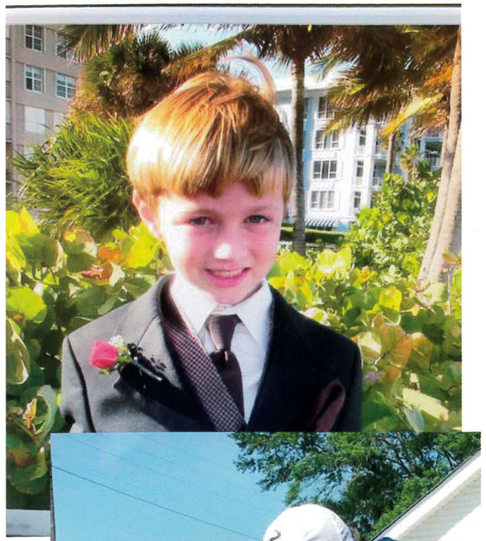
"With all your heart
you must trust the Lord and
not your own judgement. Always
let him lead you, and he will clear
the road for you to follow."
Proverbs3: 5-6

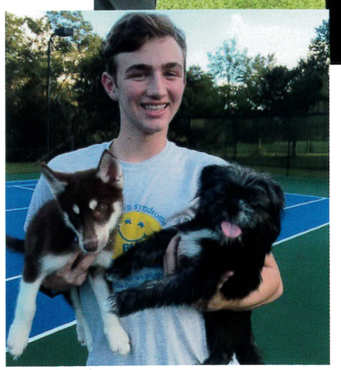
Proud is an Understatement!

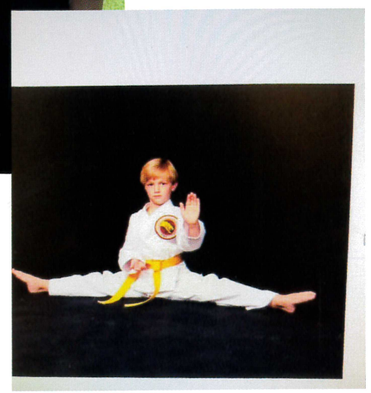
We Love You,
Mom, BJ, Hutton & Levi

Congratulations! Jack, we're so proud of you! Words cannot express how proud we are of the young man you have become. We look forward to watching you achieve all your dreams. You've grown into a wonderful young man and we love you.

Love, Mom and Dad







Congratulations
Jacob! We are so
proud of you!
